Annual Report 2012–2013

A Catholic College in the Dominican Tradition

Board of Trustees

The Mission of Albertus Magnus College

STATEMENT OF MISSION

The mission of Albertus Magnus College is to provide men and women with an education that promotes the search for truth in all its dimensions and is practical in its application. Founded by the Dominican Sisters of Peace, Albertus Magnus College, faithful to its Catholic heritage and the Judeo-Christian tradition, remains dedicated to providing an opportunity for learning which responds to the academic needs and ethical challenges of its students and of society.

This mission of Albertus Magnus College derives from the intellectual tradition of the Dominican Order whose essential charism is the search for truth (Veritas). Reflective of the dedication and commitment to service of our founder and sponsor, we at Albertus assume responsibility for the fulfillment of our particular service as an academic community.

Dear Alumni and Friends of Albertus,

Over the years, we at Albertus Magnus College have made every effort to build upon our Catholic and Dominican foundations. Commitment to our heritage is what strengthens us as we look to the future, and to the celebration of our 90th anniversary in two years.

This Annual Report presents information pertaining to the College's financial position as of June 30, 2013. The numbers are important because they reflect our ever careful, prudent management, and the listings here recognize our benefactors who have made so much possible for the College. Your decision to support our mission of providing an education that fosters a search for truth in all its dimensions, and is practical in its application, inspires us every day.

At present, we are in the process of developing strategic plan recommendations to enable us to serve our students and our community in ways that will add value to our higher education mission. In today's competitive workplace environment, we must assist our students to view, and to understand, their world beyond the Rosary Hall Gate on Prospect Street. We encourage them at the start of their academic journey in higher education to be aware of their career options, and to consider carefully the decisions they will make as they select the course of study to meet their expectations. Such considerations make up a plan of action to attain a practical application of one's field of interest, which may change as students' experiences expand. Thus, for each of our students, a successful job search is the result of planning and perseverance.

Learning beyond the classroom—internships and other experiential opportunities, resources of the Office

of Career Services and opportunities for study abroad through a new affiliation with the Assumption College Rome Campus Experience—can have a major impact on our students as they contemplate their future. The challenge for us is to meet their needs, providing them with an Albertus experience that is the very best it can be.

On behalf of the entire Albertus community, I thank you for your support.

Faithfully yours,

A handwritten signature in black ink that reads "Julia M. McNamara". The signature is fluid and cursive.

Dr. Julia M. McNamara
President

“In today’s competitive workplace environment, we must assist our students to view, and to understand, their world beyond the Rosary Hall Gate on Prospect Street.”

Friends and Parents

The College's mission and Dominican Tradition resonate with many individuals who are not graduates of the institution. They have established meaningful connections with Albertus and are an important part of our College Community. Their support is truly appreciated.
